

Affinity Instant Account -

(London Welsh RFC, Dragons Rugby, Newport County AFC,
Sparkle Appeal, Wales Air Ambulance)

What is the interest rate?

2.00% AER/Gross

The interest rate is variable, which means the rate can go up or down.

Interest is calculated daily and paid once a year after 31 March.

In addition to the interest paid to you, the organisation you support (Affinity Partner) will also receive the equivalent of 1.00% interest (fixed) of the balance on your account. The 1.00% interest is paid by us, the Society, and not from your own savings.

The most up to date interest rate can be found at: www.monbs.com/savings/personal-savings-accounts/

Can Monmouthshire Building Society change the interest rate?

Yes, the interest rate is variable.

We can change the rate at any time if we feel it's needed, this is in line with our General Terms and Conditions for Savings Accounts.

If we put the rate up, this is shown on our website, and information will be available in our branches and agencies.

If we put the rate down, we'll let you know as soon as we can - with at least 30 days notice.

The 1.00% donation to the affinity partner is fixed and will not vary.

What would the estimated balance be after 12 months based on a £1,000 deposit?

£1,020.00

Based on £1,000 being paid into the account, the interest rate doesn't change and there is no other money into or out of the account over 12 months.
